Kayleigh Baker reported YADA had great participation during Red Ribbon Week and that approximately 15 YADA members volunteered at the Family Festival. She said that YADA attendance has gone from 9 to 14 people at JBHS and from 15 to 43 at AHS. Kayleigh is in the planning stages of creating a scholarship that will be rewarded to one graduating member of YADA. Sydney Anderson reported that many students are interested in the YADA lunch meetings at Auburn, and Tasha Carbajal commented that things are going well with YADA in Johnson.

Susan Kruse detailed her efforts with the After School Program. She surveyed everyone present on what they would like to participate in. She gave a presentation on the results of her 2007 student survey. Susan reminded members that role models are needed to help carry out this after school program. There will be an After School Program meeting on December 3, 2008 and youth are welcome.

Nomination forms for Winter Banquet awards were passed out which should be completed and returned to the NADAA office by December 15, 2008. The banquet will be held in January.

Laura presented the idea of the coalition taking over the Meals on Wheels program from the Legion Auxiliary for the month of November. This will be put on the agenda to be discussed at December's meeting.

Monty Lovelace
President

Amy Reynoldson articulated the coalition's need for a sustainability plan, one has to be created. It takes a while to work through a sustainability plan: Questions that need to be answered are: Do we want this group to continue meeting five years from now? How do we move forward? Amy stated that a lot of work needs to be done to determine responsibility in the coalition. A committee needs to work on the plan every other week until February, when the sustainability plan needs to be submitted. She mentioned that June Jam will be June 14, 15, and 16, 2009 and that Sydney Anderson and Laura Teten are on the youth planning board for this activity.
